

International Week

Wellbeing and Education

 **Haute École Léonard de Vinci**
Louvain-la-Neuve - 14 to 18 February 2022

Contents

- Visit of the Teacher training institute
- Playful discovery of the educational systems from the participants' countries
- Interdisciplinary activities to discover Louvain-la-Neuve
- Various workshops and sharing of experiences on well-being in schools and in teacher training
- Practical activities to experiment with various techniques aimed at well-being and conditions conducive to learning
- School visits and discovery of concrete projects
- Theoretical presentation and link with the experienced activities
- Workshops to prepare the final works
- Local cooking workshop evening and international dinner
- At the end of the week, finalization and presentation of the final works on the international week problematic

Practical Aspects

- **Fees:**
 - If the student comes from a partner Institute of the KA131 Project, all costs are taken in charge by the Project.
 - If the student comes from another Institute: Participation to the organization of the week: 50€ (transports, meals, ...) + Travelling fees + Personal costs
- **Accommodation:** Organised accommodation in Louvain-la-Neuve (or surroundings)
- **Languages:** English & French
- **Credit:** 2 to 3 credits based on
 - preparation before the week and the work done during the activities
 - final presentations
 - the 3rd credit is linked to additional work done as a result of the international week (especially for students participating in the KA131 programme)
- **Certificate of attendance** delivered at the end of the week
- **Teachers** welcome for mobility STA or STT.
