Language : **English (at least B1 in oral skills)**

Objectives :

- Being able to TELL a story
- Being able to adapt a story to make it understandable for beginners in English
- Learning about different ways of using stories in the primary class
- Reflecting about foreign language teaching in different surroundings
- Teaching / telling the story to primary school children

Preparation

- Be able to explain how foreign languages are taught at (pre-)primary school in your area
- Select a story adequate for primary school (national, regional story or legend or tale – very well-known story in your area for children) – Send the text in advance – Be able to tell it orally to a group of students – Possibly: bring material connected to the story
- Be able to explain where the story comes from (background)

The story should be connected with the place you come from.

ECTS credits

2 credits awarded for taking part in the entire week (starting on Monday morning 9.00 till Friday 14.00)
