- Visits to school, theatre, museum with perspective on migrations

Actions next year

- Organise similar event, but announced well in time to be an official in-service training, and attract more teachers of all over Europe.

Target group

- Lecturers in teacher training and social work
 - Easy: STT grant
- Teachers and social workers
 - Not so easy: no STT grant in 2018

 - !! A good example is one that explains WHY it works !!

Expected outcomes
