

11-12 April 2023*

**Work together on a project of internationalisation in your own primary school*

.... And all this **ONLINE** !

COIL

Collaborative
Online
International
Learning Week
Equivalent of approx. 2ECTS

ONLINE

**International
Week**

For whom?

Students from Comenius or ETEN related universities (hogescholen/hochschule) that:

- *Are in the second phase of their bachelor of education (have passed initial stage - propedeuse)*
- *Speak and understand B2 English (writing B1)*
- *And wish to enhance (and research) internationalisation or set up international activities at their work place / internship class*

** **Or** students that have enrolled in the minor Idea Full Colour (third phase students)*

** And third phase students of Pabo Inholland who do their 6 months internship abroad*

ONLINE versus FACE 2 FACE

... And all this **ONLINE** !??

So, you cannot meet and visit classrooms FACE2FACE?

Yes, you can! If you want...

If you want, you can visit each other's classrooms. Especially, for example if you and your "partner" do not live far apart

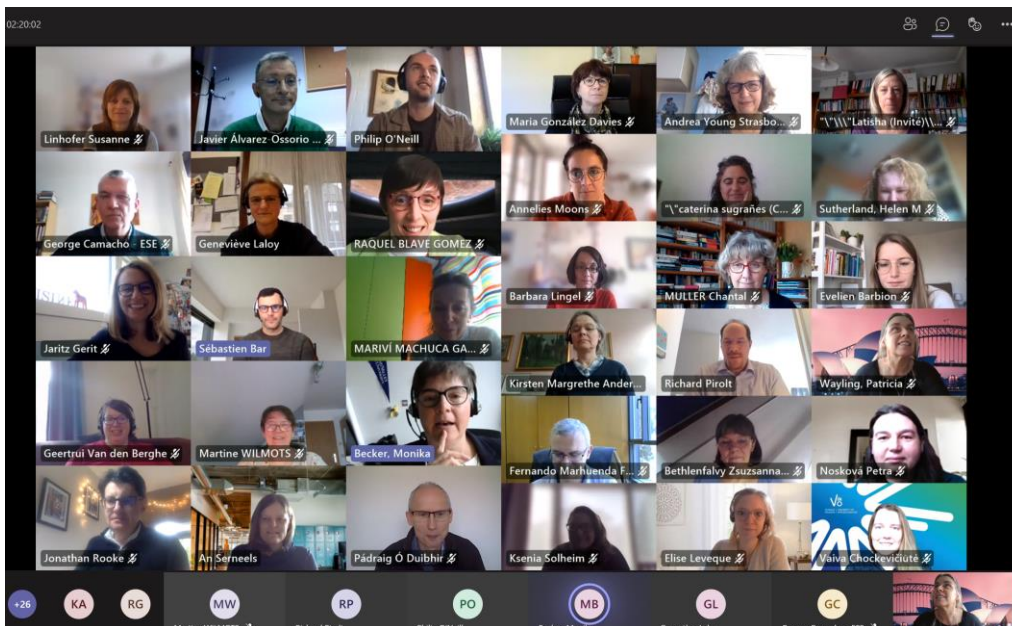

But it is not mandatory, you can also opt for fully online

If you would like to add this physical component to your Coil Online Inholland experience, please make note of it in the application form and the organisation will do its best to match your needs to that of another student with face2face aspirations.

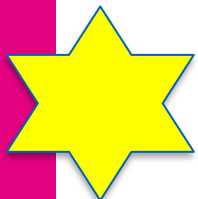

theme

Internationalisation in (your!) primary class

- Comparing school systems in different countries of Europe
- Researching internationalisation (in your own school)
- Investigating activities that support and enhance internationalisation
- Investigating importance of internationalisation
- Working towards a project of internationalisation in your primary class with other European students
- Collaborate ONLINE in a project for your class
- Establish sustainable contacts for further (online) international activities in your primary school
- Visit (virtually) each other's classrooms
-

Online and “in class”
