PROGRAM

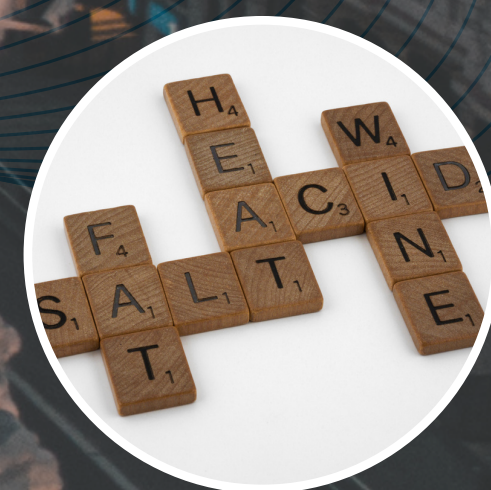

During the International week at Escuni you will..

...embark on an adventure through Madrid historic centre discovering its iconic spots.

...join us on a guided tour of The Spanish Parliament, the heart of our democratic system .

...engage in language, culture and self awareness activities.

...participate in interactive workshops to explore innovative teaching methods and inclusive education.

...meet the real Spanish elementary and preschool settings with our two school visits.

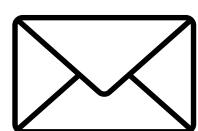

...interact with Spanish undergrads and see their innovative education projects.

...talk about the education system in your country and learn about others.

JOIN US!
