

Blended Intensive Programme Wellbeing and Education

LOUVAIN-LA-NEUVE
09 > 13 February 2026

Contents

1/ Virtual component

(2 sessions scheduled during January 2026):
preparation of the international week and initial
input on the theme.

2/ International week

- Visit of the Teacher training institute
- Playful discovery of the educational systems from the participants' countries
- Interdisciplinary activities to discover Louvain-la-Neuve
- Various workshops and sharing of experiences on wellbeing in schools and in teacher training
- Practical activities to experiment with various techniques aimed at wellbeing and conditions conducive to learning
- School visits and discovery of concrete projects
- Theoretical presentation and link with the experienced activities
- Workshops to prepare the final works
- Local cooking workshop evening and international dinner
- At the end of the week, finalisation and presentation of the final works
- Additional research work in comparative pedagogy
