# Welcome to PHTG

## Our aim?

- **To invite** a group of colleagues with an interest and expertise in the field of ***physical education*** and ***dynamic school days*** in order to share knowledge and experiences:

How can we provide teacher education students in PE with the best possible support in their training ?

How is physical education and physical activity anchored in the different school systems and how can we support and encourage children on their way to regular and lifelong physical activity?

- **To keep on moving - in teacher education and schools ...**

# What to expect

- Introduction to the educational system and the sports promotion programme in Switzerland
- Participation in PE- courses of primary education programme
- School visits
- Discussions combining movement and sport topics with pedagogical tools and teaching methods
